WITH DEEP

We, the graduating class of 1979, would like to express our appreciation to a man who has helped to make our four years at Shelby High School successful and memorable ones. This man, John Rynbrandt, known to most as "J.R." has been a teacher, and an advisor, but most of all a friend. He has helped to make our floats, prom and all we have done as a class turn out worthwhile. When the going got tough, he was there to make things work out. Thanks to "J.R." we started out as a class, and are now finishing as a class.

Much thanks to you "J.R." and good luck!

Talcashi Murase, called Tye here by his friends, was our exchange student from Magoya, Japan. He attended Shelby High School from September 1978 to June 1979. In July 1979 he left to return back to his home. While in Michigan he stayed with the Robert Bender family.

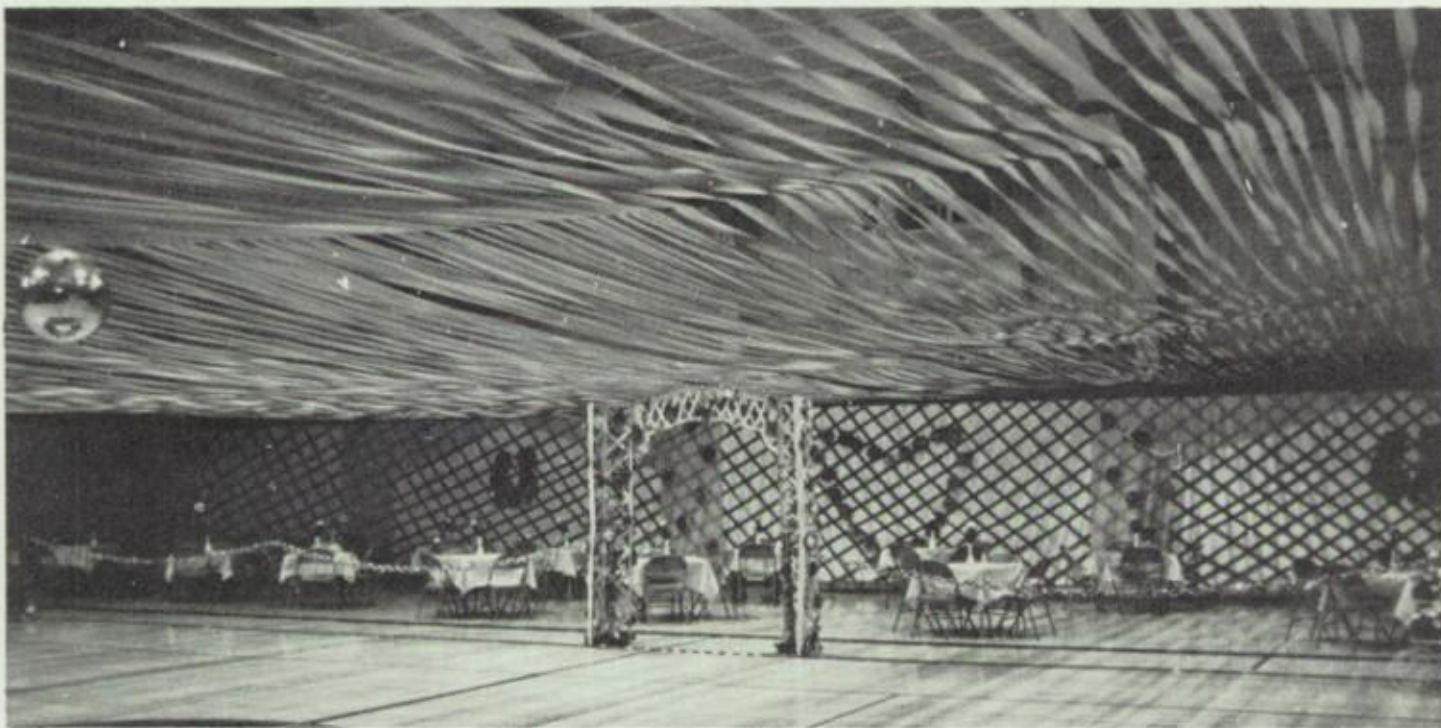

While in the United States Talcashi had a chance to go to California. A visit which he says he'll never forget.

Talcashi's favorite subject was English. But he said that his other classes which included Advance Math, Government, History, and Chemistry were difficult for him because he has a hard time understanding English.

When asked if there was anything about Michigan that he didn't like Talcashi's reply was the long, cold winters. But he did say that he really enjoyed snowmobiling.

When he's home Talcashi's hobbies include playing his guitar and practicing his karate techniques.

- We, The Senior members of the Flag Line, will to Mr. Granger, enough cash to go to Smith-Walbridge for a whole summer to learn where to put the pole, one week wouldn't be enough! — and to the future flag line, the ability to get along better than we did.
- We, Denise Wheeler, Mary Lulich, Jean Lewis, and Joan Wolting, will "The Red Ranchero" and its reputation, to anyone who thinks they can handle it.
- We, The Graduating Class of 1979, will to the class of 1980, all of our great memories for the past four years, and hope they enjoy their Senior year at SHS as much as we have!

SPORTS

The students of Shelby High School wish to dedicate this section of the 1978-1979 yearbook to Bob Hoekenga, we will remember him always.

Bob Hoekenga was a member of the class of 1979. He was involved in intramural basketball and was called "Hook" by his friends. Bob also enjoyed motorcycling, the outdoors, and being with his friends. He had many friends at SHS and will be missed by all of them.

For every time there is a season, and a time for every purpose under heaven: a time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted; a time to kill, and a time to heal; a time to break down, and a time to build up; a time to weep, and a time to laugh; a time to mourn, and a time to dance; a time to cast away stones, and a time to gather stones together; a time to seek, and a time to lose; a time to keep, and a time to cast away; a time to rend, and a time to sew; a time to keep silence, and a time to speak; a time to love, and a time to hate; a time for war, and a time for peace.

Sonja,
Do a great sister,
whom I always
can depend on from
a serious talk to
wearing your clothes.
When I am married
and out on my
own you'll have the
whole wardrobe to
yourself. Remember
all the fun times
we had at the
trailer, especially
when Randy. Be
good Kayel.

Love ya
Mama

Well honey
not much to write
just a few words
to say - love ya
and see ya
in November. Hope
you get back to
Nashville soon

Love ya
lots

(LITTLE SIS)

Be good
and get yourself
